

Are you a high performing, results driven Professional?

If so, we would like to speak with you about joining our dynamic team in the capacity of:

General Manager – Montserrat

We are looking for an accomplished experienced executive with an acknowledged and proven track record of having successfully directed, developed, and managed within the telecommunications industry with a focus on the fast growing mobile business in the Caribbean and who has a strong sales and marketing focus.

As General Manager of our Montserrat Business Unit you will have responsibility for:

- All relevant activities in growing the company across all lines of business – mobile, landline, internet and entertainment.
- The recruitment, development, and growth of the team members across all commercial lines.
- The effective use of robust management tools, metrics and reporting structures to measure and ensure performance.
- The delivery of monthly; quarterly; semi annually; and annual revenue and performance targets.
- Participating in cross-functional meetings and implementation of tactical and strategic initiatives.

Minimum Experience and Qualifications:

The successful candidate will have:

- Worked previously as a Senior Manager in a telecommunications company with a bias towards Sales and Marketing.
- A Minimum of five years proven experience working in the Telecommunications and Technology arena
- Proven track record in managing and motivating teams.
- Have a track record of success in driving profits, and in building and developing high performing teams.
- Educated up to degree standard. Strong people management skills.
- Can demonstrate experience of driving and managing change within a fast-paced, operational environment.

To explore this exciting career opportunity please send your application and resume no later than February 12th, 2014 to recruit@lime.com or fax to 1 (876) 920-9336
